

PRESS Statement

Doha, Qatar – 4 May 2017 – "Recently, various international media outlets have incorrectly reported that Al-Faisal Holdings or Al-Rayyan Tourism Investment Company ("ARTIC") were involved in hosting a political event at the Rotana City Center hotel in Doha which ARTIC owns and is managed by Rotana. We regret the incorrect facts about Al Faisal Holdings and ARTIC included in such reports and reject any allegations that Al Faisal Holdings or ARTIC had any knowledge of the matters referenced in the reports. The meeting referenced in the reports never took place at our property. Our hotel properties, including the Rotana City Center Doha are managed and operated independently by renowned international operators, under commercial agreements and in accordance with international best standards for the hospitality industry."
